## 20 yr. Celebration

Currently being organised is an Original Members Day. This day is being planned for Saturday 10<sup>th</sup> December 2011 at 2.30pm.

As many original members as possible are being contacted to invite them to this reunion. This event is due to the club being an incorporated society for 20 years as from 4th November. If you know the whereabouts of any past members it would be helpful if you could get in contact with the club as you can probably imagine people move out the area and contacts are lost.

## Working Bee

huge thanks to all of you who turned up and helped at the recent working bee at the club.

Believe it or not a total of 500kg of rubbish was carted to the tip. The office looks heaps better than it did before, thanks Sam.

## *Special General Meeting*

Thank you to all of you who attended the recent Special General Meeting  
This was to alert the members that unless more barstaff was forthcoming the club may 47 have to close for a good part of the week. Luckily two members stepped forward to fill the gap.

Thanks go to Rob and Pete who have offered to fill the gap made by the unavailability of the previous member due to ill health.

## Rural Trophy

The Rural Trophy AGM is to be held at Sanson on 5th December 7.30pm. Please remember 3 votes per establishment. The following has been received by email from Carole for you guys to think about, "Please give some thought to having a new Secretary as I no longer has any association with the Sanson Club and it would probably be better if someone else took over."

Also the last game for the year is on 28th November, Cheltenham have the honour of playing next weeks winner.

## Thank You

James O'Connell has had his mop chopped and say a huge thanks to all his supporters.

Due to the sponsorship for this he raised \$3000.00 with the money going to The Central Normal School Special Needs Unit for some new playground equipment.

Three years of growth off both on top and around his smiler. I'm sure the Special Needs Unit thanks you heaps James.
