

Welcome to our new look Sanson Community Snippets

I would like to thank Del Parker who for many years has kept the community of Sanson informed as to the local events and going on's within our community. If you have an event planned, know of a resident or past resident that you would like the rest of us to share in their achievements, have a skill you would like advertised or anything the residents of Sanson will enjoy, please email me by the 20th of each month at marton@propertybrokers.co.nz. Kindest regards Jenny

A Word from the Mayor

It is a great pleasure to be able to write a short column for the Sanson Snippets as it commences life under a new editor. Many people in our small communities contribute a great deal to the life of those communities without ever receiving thanks for the great work they do. One such person in Sanson has been Del Parker and her efforts in continuing to produce a community newsletter over the years. I want to congratulate Jenny Stretton for taking over the editors role and wish her all the best as she continues to produce the Snippets.

Sanson very important to our region, not only because of the people who live and or run businesses in the village, but also because of the huge traffic volumes passing through every day. Council is still working quietly on our best option for the Sanson Hotel site and will report back to the Sanson community when we have something worthwhile to talk about. It is a great opportunity for both Sanson and the rest of the district provided we get it right.

Annual plan hearings commence on Monday and the standard of submission is again very good and the number is again very strong indicating a good level of interest in Councils activities.

Sassy Cafe is located in the distinctive red and black building on SH1 at the Bulls end of Sanson beside Presence in Sanson.

The business was purchased by Denzil Chin Fatt and his partner Raewyn Hansen in April 2010. During that time, the old tearoom has undergone an extensive makeover to transform it into a modern cafe.

The name has been changed to **Sassy Cafe** reflecting the stylish decor with loads of pizzazz. Sassy offers excellent coffee with a range of traditional and contemporary cafe food and continues the tradition of baking and cooking many of the items on the menu. The mouthwatering menu is complemented with friendly and welcoming staff providing excellent service.

In addition to the cafe, Sassy is also the local postal agency offering a range of mail and courier options and delivering mail to mailboxes based at the cafe.

Sassy Cafe welcomes Sanson residents and offers a free coffee or tea with a total spend of \$5 or more on presenting a copy of this newsletter.

The school is collecting 'Colgate' packets to earn dollars for the school. This is based on roll, so anyone out there with empty packets, send them along to school.
