## From the Editors Desk

SEPTEMBER 2015

Hello everyone, my name is Denise and I have graciously accepted the editors duty and as I also moderate the Facebook Sanson Village community webpage, which I opened at the end of last year, I have some insight on whats going on in the area. Not everything mind, but enough to keep you up to date with happenings. I am a long time resident of over 30 years now, my son having done all his primary & intermediate schooling at the Sanson School; which I can highly recommend for your children's educational requirements - as their mantra says 'making a difference', and they do!

The **Community Library** has now closed due to lack of support from the community.

Those of you who still have books please return them to Del's home at 10 Cemetery Rd. or to Feilding Library. There are a good number of subscribers with very overdue books and if you are one you will be hearing from Feilding Library.

It is twenty five years since the Library opened in the old school. Del has enjoyed meeting people at the library but so many of our readers have aged and either moved into rest homes or passed away. Sadly in this electronic age people seem to prefer to read on their Kindle than an actual book.

Horizons and the Manawatu District Council are getting behind the nationwide initiative to see 1.5m New Zealanders **drop, cover and hold** during the countries largest ever earthquake drill, 'Shake Out' which is being held 9.15am on 15th October 2015.

Register your family, school, businesses and place of work online at:  
[www.shakeout.govt.nz/register](http://www.shakeout.govt.nz/register)

The Sanson Playgroup holds their weekly get-together in the St Thomas Church Hall every Wednesday from 10am to 11.30am

**Keep New Zealand Beautiful (KNZB) Clean-up Week** is between 14-20 September. Neighbourhood Support in our area supports the activities organised during this week as a clean and tidy area indicates that the people take a pride in where they live. Whether you are involved with a community group, business, school, family, friends or an individual, it is so easy to get involved! All you need to do is to find a local spot that needs a clean-up, then log on and register your event. Once you fill in the registration form, KNZB will provide you with all the information you need to help make a difference. If you are an individual who is keen to get involved, there is the option to join an existing event in your area. KBNZ Clean-Up Week's central aim is to increase community participation of all kinds, but also addresses issues of sustainability, environment, health, crime and social inclusion. Manawatu District Council will accept KNZB litter collection plastic bags at Feilding RTS off Kawakawa Road at no charge. (We do have some KNZB bags in the office if you are a few bags.) Other areas will need to contact their own local council to find out about their policy on the collection of the KNZB bags.

KNZB website is [www.knzb.org.nz](http://www.knzb.org.nz). Alternatively you could telephone the Marketing Manager on 022 356 6334 or email [marketing@knzb.org.nz](mailto:marketing@knzb.org.nz).
